COTTAGE KITCHEN

HALL 5 | The Cottage Kitchen brings you tasty outdoor entertaining ideas with ongoing cooking demonstrations and free samples. Our own Jane Rodmell will be creating a beautiful make-ahead breakfast strata directly from the pages of Cottage Life magazine. Ontario Ministry of Natural Resources and Forestry presents Chef Ted Reader who will be demonstrating how to cook your catch in a variety of tasty recipes. Broil King Chef Naz Cavallaro will share his grilling tips so you can get the most out of those mysterious BBQ accessories. On Sunday, don’t miss food expert Pay Chen’s presentation about delicious and versatile Adam’s 100% Natural Peanut Butter. And Tony Armstrong, from Headwaters Community Farm & Learning Centre, demonstrates how rewarding it can be to grow and cook with fresh-grown greens and herbs. If you get there in time, you’ll be given a little pot of your own to enjoy, compliments of Bonnie Plants.

- Sponsored by Broil King, Ontario Ministry of Natural Resources & Forestry, Ontario Wood, and Adam’s 100% Natural Peanut Butter

ONTARIO OUTDOOR FUN ZONE

HALL 5 | The Ontario Ministry of Natural Resources and Forestry (MNRF) gives you a head start on outdoor fun this season in this super-sized activity zone! Families can learn to fish! Dive into Ontario’s underwater ecosystem – our 115-gallon tanks are filled with bowfin, splake, and other species. Scientists from the Ministry of Environment and Climate Change answer questions about eating your catch. Visitors to the ministry’s booth can purchase their Outdoors Card, as well as fishing and some hunting licence tags. Conservation officers will be onsite to discuss general hunting and fishing regulations. Other MNRF partners – including Bearwise and Aviation, Forest Fires and Emergency Services – share advice on keeping your cottage safe and cozy, while Biodiversity offers tips on wildlife conservation and promotes outdoor family adventure.

- Presented by Ontario Ministry of Natural Resources and Forestry

COTTAGE REAL ESTATE CENTRE

HALL 2 | Whether you’re looking for land for a new build, a turnkey cottage, or a cozy cabin ready to renovate, the Cottage Real Estate Centre is where cottagers-to-be can meet with more than 100 realtors from all over Ontario. It’s the only opportunity of the year to comparison shop thousands of listings without leaving the city.

TREE PLANTING

HALL 1 | A family favourite every year, join David Masters and the educators from the Luna Project in the dirt where you can pot a little white pine to take home and plant. Have you planted a tree from our show in the past? Stop by and share your story, even better, bring a photo of the tree for all to see!

- Provided by the Luna Project

COTTAGE WILDLIFE CENTRE

HALL 5 | Get up close with snakes, frogs, turtles, and big birds from cottage country. The folks at Wild Ontario have brought their feathered friends including owls, falcons, ospreys, and other birds of prey. Scales Nature Park lets you touch snakes and turtles, and will tell you about their turtle hospital on Georgian Bay. Other participants include Aspen Valley Wildlife Centre and Muskoka Watershed Council.

- Sponsored by Subaru

The Model Cottage

HALL 4 | This year, not one, but two marquee model cottages showcase the growing trend of factory-built modular cottages from Guildcrest Homes. Walk through these high quality, energy-efficient cottages and you will understand the big appeal of buying affordable and contemporary retreats with small footprints that disturb less of the natural landscape and provide more opportunity to enjoy outdoor spaces. The mini cottages, approximately 400-sq.-ft. and 750-sq.-ft., are chocked full of creative storage solutions, open lofts, and natural light. As you step through from one cottage to the next be sure to check out the patio, beautifully furnished by Sears with pieces from the Debbie Travis Outdoor Collection.

- Designed & Built by Guildcrest Homes
- Sponsored by Sears Canada
**FAMILY ACTIVITY CENTRE**

**HALL 1** | Let your little ones run wild in our Coleman campsite! Pull up a chair by the campfire, pop into the tent, hop onto the dinghy, and practice putting on your life jackets. There are also fun arts and crafts activities for all ages. Parents are required to stay with their children in the Family Activity Centre.

Need some time to go buy a boat or talk to a builder? The fun folks from Camp Mini-Yo-We are offering two hours of free child-minding for ages 2+ on a first-come, first-served basis. Come and play games, sing songs, and have fun! Please ensure you sign in with the child-minding staff.

- Sponsored by Coleman and Paddle Canada
- Child-minding by Camp-Mini-Yo-We

**THE OUTDOOR ROOM**

**HALL 2** | If you’re the kind of cottager who likes to spend more time outdoors than inside, now you can bring the comforts of the great indoors with you. Presented by ARD Outdoor, Brentview Electronics, and RIO A Carnival of Blooms, The Outdoor Room will provide you with some great inspiration for your next outdoor oasis. While lounging in comfort on all-weather furniture from ARD Outdoor, check out one of the newest hot-ticket televisions, and enter to win some great prizes!

- Sponsored by Brentview Electronics, ARD Outdoor, and RIO A Carnival of Blooms

**THE DOCK PARTY**

**HALL 1** | WIN one of 10 Sonos wireless hi-fi speaker sets from Brentview Electronics. Let’s raise a glass while raising funds for the Cottage Dreams Cancer Recovery Initiative. The Dock Party is the social hub of the show, proudly serving Muskoka Brewery beer, Georgian Bay Spirit Co., and Walter All-Natural Caesar Mix. Our friends from Brentview Electronics are back, providing the best summertime tunes on a Sonos wireless hi-fi system. Drink tickets are sold to benefit the Cottage Dreams Cancer Recovery Initiative. This charity, based in the heart of cottage country, places cancer survivors and their families in donated cottages for a week of rest and recovery.

- Sponsored by: Muskoka Brewery, Northstar Marine Insurance, and Brentview Electronics
- Dock provided by Houston Marine Systems, Booth 531
- Furniture by CR Plastics for Indian River Trading Company, Booth 1369

**COTTAGE STARGAZING**

**HALL 4** | Cottage Stargazing is truly a chance to escape to the cottage! The planetarium is a mobile dome that projects 3D space and science imagery. Space journalist and children’s author Peter McMahon and astro-photographer and amateur astronomer Rick Stankiewicz present shows about the seasons, constellations, tides, the solar system, northern lights solar maximum, and Chris Hadfield’s mission to the International Space Station. Owned and operated by The Ontario Planetarium from Peterborough, Ont., the 16-foot diameter, 10-foot high dome can seat 30 adults or 35 kids. This is fun for the whole family!

- Sponsored by the Toronto Star

**COTTAGE WORKSHOP**

**HALL 2** | Wayne Lennox and his band of merry men in toolbelts are back with a family fun workshop project: an outdoor shower! As seen in the April 2009 issue of Cottage Life magazine, this project is designed to give you a little practical indulgence at the cottage. Stop by the Cottage Workshop and watch Wayne build this great cottage addition and pick up some tips so you can easily build your own this summer.

Get your photo taken, turn it into a GIF, and share it with your friends, put your pin on the “Where is your cottage?” map, and meet the Editor of Cottage Life magazine, Michelle Kelly, and the rest of the team at Cottage Life. The Cottage Life booth is the spot to pick up a cool new T-shirt or sweatshirt, buy a back issue or subscribe to Cottage Life magazine, and find out about what’s new this season on Cottage Life television.

**NEW COTTAGE LIFE TV LOUNGE**

**HALL 2** | Next to the Cottage Life booth. Join us in the Cottage Life TV Lounge for some great family fun. Sit back, relax, and watch some exclusive new content from Cottage Life television. Sample some delicious treats and enjoy the beautiful outdoor styling provided by Sears Canada.

**MAIN STAGE**

**HALL 2** | Come check out our entertaining presentations about cottage ownership, buying and selling, environmental issues, and cottage design tips. Let the CIL Woodcare experts help you choose the best paint or stain for your next cottage product. Colin & Justin, the Scottish design duo, will appear on the Main Stage on Saturday, April 1 at 2 p.m. The lads are undertaking a new cottage renovation project on Season 3 of Colin & Justin’s Cabin Pressure, as seen on the Cottage Life television channel.
